

## **Our Response to the COVID-19 Pandemic (as of March 17, 2020)**

- To support collective efforts to mitigate the spread of COVID-19, and following recent Federal guidelines, and with care and concern for all who pass through our doors, Strathmore United Church is cancelling all in-person gatherings, including Sunday services.
- Until further notice, our community will also not participate in any in-person meetings. This includes Council meetings, meetings of the various ministry teams, social and educational events.

We are continuing to communicate with community members and partners on how to best support each other during these strange and important times.

Now, when we can't come to church, it's our time to be the Church.

\* **Stay connected.** Call, email, Skype, Facetime, Zoom – do whatever you can to be in touch with those you love and, especially, those who you know are isolated. If you think someone needs a call from the pastoral team or Rev. Pamela please call 403-361-2393.

\* **Stay informed.** Below you'll find trustworthy sources who provide updates regarding the very fluid COVID-19 situation.

\* **Stay well.** While our lives are turned upside down, do what you can to nourish your soul with things you love to do, a good book, prayer and meditation practices, encouraging podcasts, films, music, healthy, delicious food.
